

Chief's Update  
April 9, 2015

Dear Tempe Police Employees,

You may recall last week's update in which I had the pleasure of recognizing three newly promoted sergeants. As many of you are aware, we just completed a selection process for Commander positions, and I remain committed to supporting and pursuing development opportunities for all police employees. Although no permanent vacancies currently exist, it is anticipated that there may be future vacancies as a result of Cmdr. Perkovich being assigned to Arizona POST.

I am proud to announce the following temporary promotions, which are effective Monday, April 13:

- Lt. Noah Johnson will reassume a temporary Commander position, assigned to North Patrol Operations.
- Lt. Jeff Glover will assume a temporary Commander position, working with Command and Executive staff to further strengthen our efforts in building trust and mutual respect across our community, specifically as relates to our Strategic Plan and President Obama's 21st Century Policing Task Force, Recruiting and Hiring, and Community Outreach.
- Cmdr. Horn will continue to serve in his current capacity as the Commander responsible for Organizational Services.

Please congratulate all, and give them your support. Thank you for your great police work and dedication...be safe!

Sincerely,

Tom
